

Job Title: Hydronic Boiler Technician (Experienced)

Location: Minturn, CO

Wage Range: \$35-66+/hourly (Including \$2,500.00 sign-on bonus or Relocation stipend)

Job Description:

We are adding to our Service Department and are hiring a Hydronic Boiler Technician. We're looking for candidates with 3 to 5+ years of experience working in Commercial and Residential hydronic boiler applications. The Hydronic Boiler Technician is responsible for the maintenance, troubleshooting, and repair of hydronic boiler systems utilizing their knowledge of heat sources, electronic control systems, pipe fitting, brazing, and mechanical layouts. Comfortable and knowledgeable troubleshooting boilers.

Responsibilities:

- Operate company vehicles to travel to clients' sites and interact with clients as you inspect, troubleshoot, repair, maintain, and install hydronic boiler equipment and related components.
- Service a wide variety of clients in Commercial and Residential settings.
- Perform preventive maintenance, troubleshooting, and repairs on hydronic boiler systems.
- Confer with distributors and supply house representatives to acquire parts and equipment.
- Responsible for servicing products and equipment on assigned projects and ensuring customer satisfaction.
- Perform repairs, overhauls, installation, and start-ups of hydronic boiler systems.
- Use a variety of hand tools, power tools, and specialized equipment to perform duties.
- Prepare for on-site installation and repairs by examining building layout, anticipating difficulties, gathering materials, and coordinating on-site work as necessary.
- Document work by completing paperwork on each job and maintaining files.
- Keep current with all manufacturers' products concerning installation, operation, maintenance, service, and repair.
- Keep service vans and job sites clean and organized.
- Rotational On-Call duty.

Qualifications:

- Minimum 3 to 5+ years' experience in hydronic boiler service work.
- Over 18 years of age.
- High School diploma or GED.
- Completed an Apprenticeship Program or equivalent education/training.
- Strong written and verbal English skills.
- Valid driver's license with a driving record in good standing.
- Can successfully pass a criminal background check, drug test, and physical ensuring you can perform the duties of the job.
- Strong organizational and communication skills.
- Willingness to be a team player.
- Plumbing License a plus!

Benefits:

- Comprehensive Medical, Dental, Vision, FSA/HSA.
- Matching 401K.
- Long Term Disability, Short Term Disability.
- PTO, Paid Holidays.
- Voluntary additional insurance/benefits.
- Company cell phone.
- Health and wellness compensation package.
- Ski pass.
- Flexible family leave.
- Company vehicle for qualified technicians.
- Tool allowance.
- Cash bonuses.
- Professional training and development
